

## **TRAINING IN BEAUTY CULTURE & DRESS MAKING**

---

R P Education Society has successfully completed a Vocational Training

Centre at VPO Pahaladpur from its own resources. The society has initiated Training in beauty culture and health care (one batch) along with Dress Making (two batches) under VDP so that girls & women's can get benefit exclusively of this training programme and learn skills and can start their own income generating activity or do job at any shop/training Institute and earn money to maintain and betterment of their living standard. Course class had been on regular basis both theoretical & practical modes. By joining this course women/girls may get employment or start their own establishment.
